Introduction:

The vast majority of cattle on offer have been bred from Suckler herds of the local area and are generally all of good quality. They are sold as 100% correct and potential buyers can buy with confidence. They are sold in accordance with the LAA conditions of sale.

Note:

If for any reason you will not be presenting your cattle for sale, please inform the Auctioneers as soon as you can.

T.B. Testing:

All cattle over 42 days of age and older on the day of sale must be accompanied by documentary evidence of having passed a T.B. test within 60 days of the sale date.

BVD Testing:

All cattle off a Welsh holding must be tested for Bovine Viral Diarrhoea (BVD). BVD testing is required pre-sale unless you have already screen tested for BVD and have a negative herd status within the last 12 months. Cattle identified with BVD can only be moved off the holding directly to slaughter.

All **Welsh** Cattle presented for sale **must** have a copy of proof of BVD negative status prior to sale.

We recommend that **English** cattle are tested to enhance sale potential to Welsh purchasers who will be required to test untested cattle (within 20 days) on arrival to their holding. Similar BVD legislation is due to come into force in England within the next 12 months.

Bio Security:

Rules to be adhered to.

Times:

All Cattle to be penned by 11am

The sale will commence at 12 noon prompt

Thank you for your co-operation.
